How It Works

1

Farms register
ASP-approved farms list available produce, meat & more

2

Buyers browse
Schools & senior centers filter by crop, county, PED eligibility

3

Request submitted
Buyer sends a purchase request with quantity & delivery date

4

Farm responds
Farm accepts or declines — fulfilled requests tracked in dashboard

Data sourced from NM Grown Approved Supplier Program (ASP) · NM Public Education Department · USDA 2023 · NM Legislative Council 2020 Census

"22 of 33 New Mexico counties have institutional buyers ready to purchase but zero local ASP-approved farms."
